IZUMI FOUNDATION INTERIM EVALUATION REPORT

The interim progress report is intended to be a brief summary of the status of the project to-date. The Foundation uses evaluations as an internal tool to improve its program initiatives and grantmaking, and also to keep up-to-date on the projects it supports. Please answer the questions listed below. We ask that your answers not exceed 6 pages total. Thank you.

1. Has the project implementation begun? If the implementation of the project has been delayed, please explain why.
2. Please describe the progress that has been made toward reaching the stated goals and objectives of the project; include a list of activities that have taken place thus far.
3. Please include one vignette reflecting the success of the project thus far. Photos are welcomed but not required.
4. Have any of the project's stated goals and objectives been revised? If any of the goals and objectives, or project activities have been modified or eliminated, please provide a detailed explanation.
5. Please describe any unanticipated difficulties that have been encountered in implementing the project.
6. What contextual factors (local circumstances or issues) have promoted or inhibited the success of the project?
7. Do you anticipate that the project will be completed within the timeframe outlined in the proposal? If not, please explain.
8. Is the budget relatively on target? Please describe any relevant budgetary issues that have come up.
9. Please explain how the project has leveraged any existing in-country services or resources available.
10. Is there anything else you would like to add regarding the project?
